How to Do a Devotional

Daily devotionals are important to help you grow in your relationship with God. Pray, meditate, and read the Word of God, and you will grow spiritually. Devote ten minutes at the beginning of your day to clear your mind and heart and prepare to receive God. Daily devotions will prepare you for any obstacles that may come your way. Take time each morning to hear from God. Even Jesus used time in the morning to be with God. "Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed" (Mark 1:35, NIV).
