Consider creating a question box with some tough questions your children might have, such as "How do we know God is real?" and "Is Jesus really God's son?" Place them in the box after writing them on cards. You can write the answers on the reverse of the card, or have your children think about them and debate them with you. http://www.ckbc.org/newgen/</p>	<p>"Train up a child in the way he should go: and when he is old, he will not depart from it."</p> <p>Prov. 22:6</p> <p>Questions ?
